## Cold Weather MUST HAVES – BE PREPARED!

- Knit Hat for sleeping in (warm HEAD, warm BED)
- Fleece blanket to lay between sleeping bag and air mattress/cot/ground.
  - o This is essential as the air in air mattresses can get especially cold and will transfer that to you.
  - o A fleece barrier makes all the difference.
- Hand warmers.
  - o Throw one or two of these in the bottom of your sleeping bag and you will have toasty toes all night!
  - o Put them in 15 minutes before bed and you won't regret it!
